

Anika Edrei

Senior Project Manager

Philadelphia, PA (open to relocation) | (646) 477-0347 | anika.edrei@gmail.com

[LinkedIn](#) | www.aiopsarchitect.com

PROFESSIONAL SUMMARY

- Senior project manager with 6+ years owning full lifecycle delivery across digital agencies, Web3 / emerging tech ecosystems, and B2B/B2C businesses.
- Proven ability to manage a portfolio of 12+ clients and over 60 projects concurrently as project and account manager. (client-facing)
- Leverages AI-assisted workflows to reduce handoffs and revisions, builds AI best practices.
- Fluent in Agile, Scrum, and Lean frameworks; ClickUp, Jira, Monday.com, Asana, and Notion are strengths.
- Operates with a high degree of autonomy, while ensuring stakeholders are aligned. Has served simultaneously as project manager, account lead, and operations manager on lean agency teams.

WORK EXPERIENCE

Distractive / Remote

01/2025 - 02/2026

Project Management Lead

- Reduced friction by over 60% and increased on-time delivery by approximately 40% through the deployment of a ClickUp project management system and knowledgebase.
- Led omnichannel marketing programs for global blockchain infrastructure clients — including Polkadot and Parity Technologies — coordinating multi-team delivery across a unique network of remote-first organizations.
- Enhanced productivity by a minimum of 20% by creating AI processes, training the team and continuous improvement.
- Managed 20+ concurrent projects with interdependencies across GTM, web, and digital channels. 10+ campaigns shipped.

Freelance (concurrent with Distractive role)

01/2025 - present

Operations & AI Consultant

- Serving clients across real estate, non-profit, and digital marketing industries through creation of AI risk management frameworks and best practices; trains teams on responsible implementation.
- Designed, built, and deployed aiopsarchitect.com to establish brand positioning and messaging.
- Panelist for Unleashing AI in Marketing (2025) live-stream in collaboration with Chariot Solutions — spoke on AI automation risk, ethics concerns, and responsible deployment for operations teams.

Slice Communications / Philadelphia PA hybrid

07/2022 - 01/2025

Director of Operations

06/2024 - 01/2025

Director of Project Management

10/2023 - 06/2024

Jr Project Manager

07/2022 - 10/2023

- Increased the adoption of AI on the team by over 60% through the founding of the Artificial Intelligence Taskforce, resulting in a company-wide AI Governance policy and best practices framework.
- Established clear standards for the project management team while managing a portfolio of paid advertising, web, and event projects.

- Supported the achievement of aggressive growth goals and operational excellence by researching, designing and implementing scalable workflow improvements iteratively. Automated processes when possible using tools like Zapier, Make, Monday.com.
- Greatly reduced chaos and increased throughput through the deployment of structured change management protocols during agency expansion.
- Maintained and increased client retention by supporting c-suite and VPs on stakeholder strategy and quarterly goal setting.
- Promoted 3x in under 2.5 years from Jr. Project Manager to Director of Operations based on performance, AI leadership, and demonstrated impact.

Nomadic Marketing Software / *Remote*

05/2022 - 02/2023

Project Manager

- Served as both Account Manager and Agile PM for 12+ simultaneous client accounts, leading scope definition, project planning, and stakeholder presentations from kickoff through delivery.
- Led the internal team, developed detail-oriented project plans, participated in strategy & goal-setting meetings.
- Delivered SEO, paid media, website development, and corporate brand projects across a diverse industry-agnostic client portfolio, maintaining consistent on-time delivery.

Grayson Sky / *hybrid Philadelphia, PA*

09/2020 - 05/2022

Project / Content Manager

- Directed cross-functional teams and external vendors across 7+ client accounts, maintaining on-time delivery for all campaigns over a 20-month tenure.
- Served as the primary point of contact for 7+ clients, establishing structured communication cadences and continuous reporting.
- Conceptualized, initiated, and delivered marketing campaigns including email, print, digital, and social media.
